

Your 2022 Business Prayer

“O God, throughout this year I’m going to claim your promise to me which says, “Beloved, I pray above all things that you will prosper and be in good health” (3 John 2). **Please make that promise a reality in my life and business.**”

“I invite you to be my business partner in 2022. In the midst of all the economic uncertainty in our land, I will depend upon your stability. As our economy goes up and down like a yo-yo, I’m thankful you remain constant. “

“Lord, I live in a world of regulations, insurances, and contracts. Many are restrictive and most are complicated. Please be my Guide and Advocate as I navigate my business through all this. My total trust is in You. Give me good friends to help me in business and give me Golden Connections with people who will become new customers/clients/patients. Order each day of my life this year.”

“Give me the skill I need to do my job with excellence. Help me be the best I can be, and let my mind and hands be open to new things so I can do my job in even better ways. **Please give me Uncommon Favor so I can work at the top of my game.** May I sleep well each night. I need You to replenish my strength every morning.”

“Keep my cash flow strong. Let new orders and clients come to me daily. Help me to be wise with money so I can pay all my obligations promptly. And prosper the people with whom I do business so they can pay me on time.”

“I know I’ll face enemies and critics in 2022. Expose them and protect me from them. Enable me to be like Daniel in the lions’ den who did not focus on the beasts, but kept his eyes on his mighty God. I will confess often that “I can do all things through Christ who strengthens me” and that “My God shall supply all my needs according to his riches in glory.”

“Lord Jesus, You said, ‘To whom much is given, much will be required.’ Teach me that the higher I climb in my job/profession and the more my income increases, I have greater responsibility to You. Create within me a desire to tithe on every dollar I earn. Empower me to whole-heartedly believe that the tithe I give to my church will leave my hand, but it never leaves my life; it goes into my future and multiplies! Lord, I really want my life to count for eternity.”

“Finally, I humbly ask You to give me...

- A sharp eye,
 - Wise judgment,
 - A grateful heart,
 - And a growing trust in You
